The Twelve Traditions of NA

We keep what we have only with vigilance, and just as freedom for the individual comes from the Twelve Steps, so freedom for the group springs from our Traditions. As long as the ties that bind us together are stronger than those that would tear us apart, all will be well.

1. Our common welfare should come first; personal recovery depends on NA unity.
2. For our group purpose there is but one ultimate authority – a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
3. The only requirement for membership is a desire to stop using.
4. Each group should be autonomous, except in matters affecting other groups of NA as a whole.
5. Each group has but one primary purpose – to carry the message to the addict who still suffers.
6. An NA group ought never endorse, finance, or lend the NA name to any related facility or outside enterprise, lest problems of money, property, or prestige divert us from our primary purpose.
7. Every NA group ought to be fully self-supporting declining outside contributions.
8. Narcotics Anonymous should remain forever nonprofessional, but our service centers may employ special workers.
9. NA, as such, ought never be organized, but we may create service boards or committees directly responsible to those they serve.
10. Narcotics Anonymous has no opinion on outside issues; hence the NA name ought never be drawn into public controversy.
11. Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.
12. Anonymity is the spiritual foundation of all of our Traditions, ever reminding us to place principles before personalities.

Twelve Concepts of NA Service

1. To fulfill our fellowship's primary purpose, the NA groups have joined together to create a structure which develops, coordinates, and maintains services on behalf of NA as a whole.
2. The final responsibility and authority for NA services rests with the NA groups.
3. The NA groups delegate to the service structure the authority necessary to fulfill the responsibilities assigned to it.
4. Effective leadership is highly valued in Narcotics Anonymous. Leadership qualities should be carefully considered when selecting trusted servants.
5. For each responsibility assigned to the service structure, a single point of decision and accountability should be clearly defined.
6. Group conscience is the spiritual means by which we invite a loving God to influence our decisions.
7. All members of a service body bear substantial responsibility for that body's decisions and should be allowed to fully participate in its decision-making processes.
8. Our service structure depends on the integrity and effectiveness of our communications.
9. All elements of our service structure have the responsibility to carefully consider all viewpoints in their decision-making processes.
10. Any member of a service body can petition that body for the redress of a personal grievance, without fear of reprisal.
11. NA funds are to be used to further our primary purpose and must be managed responsibly.
12. In keeping with the spiritual nature of Narcotics Anonymous, our structure should always be one of service, never of government.

West/South-West Area Service Meeting

Purpose

The West-Southwest Area of NA (WSWA) has been formed by the groups of the West-Southwest Area to deliver services to any group of NA that requests to be a part of the West-Southwest Area Service Committee (ASC) and support the groups in carrying the message of recovery to the addicts who still suffer. The Group Service Representatives (GSRs) carry the collective conscience of their groups to the Area Service Committee Meeting and have the final authority on all decisions made by the area.

The ASC Meeting is the center of all communication between the groups, the Greater Philadelphia Region, and the World Service Office. Chairpersons for the ASC Subcommittees created by the WSWA are elected by the GSRs to provide specific duties to support the growth of the Area in carrying the message of recovery. These trusted servants are the single point of accountability to the WSWA Service Body for the function assigned to them by the Area. The ASC Meeting will utilize the Twelve Traditions and the Twelve Concepts of NA Service to conduct their service meeting.

WSW Area Service Committee Meeting Format

Concept 1

All members of a service body bear substantial responsibility for that body's decisions and should be allowed to fully participate in its decision-making processes.

The WSWA voted on August 17, 2013, to conduct its ASC Meeting using Consensus Based Decision Making (CBDM). In this process, proposals are made in the place of motions. When a proposal is made, it allows for anyone with an idea on how to refine that proposal to be heard, allowing everyone to participate in the final wording of that proposal. When the majority of those present are in agreement with the final proposal, it becomes a Consensus Based Decision (CBD).
